Please write a brief summary of the report the Committee is submitting to the Senate:

The Academic Planning Committee has been working on reorganizing the summer schedule. After much discussion with college deans and each other, we are proposing that summer sessions be scheduled as follows (beginning in 2007): one twelve-week session and two back-to-back six-week sessions, to begin in the first week of the summer (for example, May 21st, 2007); one middle six-week session, to begin in the fifth week of the summer (for example, June 18th, 2007).

Do you anticipate making a formal motion relative to the report? Yes

If so, state the motion: That the summer schedule proposed above by the Academic Planning Committee be approved.

If substantive changes in your committee recommendation are made from the floor, would the committee prefer that the matter be sent back to committee for further consideration?

Yes
