

MyYSU Password Rules

For security purposes, the following password management rules are in effect:

- Passwords must be at least six characters long.
- Passwords must contain at least one alphabetic and one numeric character.
- Passwords may only contain letters and numbers.
- Passwords are case-sensitive.
- Passwords must differ from the previous password by at least three letters.
- Passwords may not match your userid.

Users will be locked out for 15 minutes after five failed login attempts.
