Policy: To advance institutional strategic goals by recruiting faculty and staff members, a recommendation for employment may be made without a national search, provided a waiver of search procedures is approved by the Director of Equal Opportunity and Diversity.

RESOLUTION NUMBER: YR 2006-

Purpose: Youngstown State University recognizes the importance of faculty and staff recruiting as one mechanism to address and advance institutional strategic priorities and mission.

The policy is designed to allow the University to respond in a timely fashion to advance institutional strategic goals and to guarantee excellence in faculty and staff recruitment.

Strategic Hiring Programs provide a process for requesting a search waiver and/or single or multi-year financial support for fully qualified individuals who can make a unique contribution to the University and its strategic plan.

Criteria: The following criteria for granting waiver and funding requests will be considered:

- Qualifications of the individual being recruited, including likelihood of continued success (e.g., promotion and tenure, where applicable)
- Relevance of the hire to the university's strategic priorities
- Agreement of the hiring unit for the requested appointment
- Identification of funds to support the position over time
- Rationale for waiving the normal search requirement

Procedures: Questions about search waivers should be directed to the Director of Equal Opportunity and Diversity. Candidates for employment under the search waiver must be systematically reviewed by the hiring department or academic unit. If that unit believes the individual has appropriate credentials and has skills that are compatible with the department's needs and the mission of the department and university, the unit may recommend that individual for recruitment without a search.

When any unit inquires about employment opportunities for a potential faculty or staff recruit that is within the university's strategic interest, the Chair/Director of his or her unit will request a copy of the potential employee's curriculum vitae and other relevant materials. The Office of Equal Opportunity and Diversity must also be contacted for information and assistance. In consultation with the relevant divisional Vice President or the President, the Director of Equal Opportunity and Diversity is authorized to grant a waiver from the requirement for a search.

The University will provide the Board of Trustees with an annual report on hiring activity under this policy.

The recruitment of administrative and executive officers of the University is not included within the scope of this policy. See Policy 9001.01 for the selection of administrative and executive officers.
