\*Fall 2014 reflects the first fall term under the more restrictive "conditional admission" enrollment policy.

\*The figures provided reflect the academic reorganization of 2020-2021.

An assumption has been made that high school grade point averages of 4.0 or less were calculated on a 4.0 scale. However, due to the unavailability of GPA scales for high school GPAs above a 4.0 (for example 4.17 or 75) high school GPAs greater than 5.0 have been excluded from these averages.
