

PARKING —It's all NEW, too!

Now you'll purchase your parking permit directly from the *MyYSU* Portal, under the **Personal Information Tab**, once you have registered for classes. In order to sign up for a parking permit, you need to know your license plate number and vehicle make and year. Although you can only purchase one permit, you may register more than one vehicle. Please note that buying a parking permit is no longer part of the registration process. For more information, please call Parking Services at 330-941-3546 or email them at parking@cc.ysu.edu, or refer to page 9 of this publication.
